Who Are We...

We Are EPAS

What Is EPAS? EPAS is Year 8 Excellence Academy students who have joined the European Parliament Ambassador School program, with an aim to becoming a European Ambassador School. Students have to hold a number of events relating to Europe throughout the school year. Although we aren't in the EU, we can still appreciate European Culture and want to highlight this at Coppice.

Future Events

Some future events include:

- Win Competitions, this is good because we will be able to win money or special experiences for the school and this will make students satisfied and happy
- Language Challenges, we have already done one of these back in December 2021 for Christmas, in form you had to say 'Merry Christmas' the last week in term. Things like this make you understand languages easier.
- We also have many more in the future, you'll just have to wait and see
