# EXCELLENCE — ACADEMY —

The Excellence Academy is an exciting and special opportunity available to students who move into Year 7 from September.

The Excellence Academy will:

- provide consistently outstanding learning experiences that stretch and challenge our most able learners
- deliver educational outcomes comparable to 'selective' schools and guarantee qualifications which will enable the students to access 'Russell Group' universities should they so wish
- provide unique curriculum opportunities delivered by a discrete team comprising solely of 'outstanding' teachers.

*“The VIBRANT curriculum is well planned and it makes a good contribution to pupils’ GOOD BEHAVIOUR. There is an appropriate BALANCE of vocational and GCSE courses.” OFSTED*
