

# APPRENTICESHIP GENIUS

## THE AWARD-WINNING FREE APPRENTICESHIP PREPARATION AND WORK EXPERIENCE PROGRAMME.

Run in partnership with leading STEM & Finance employers and Russell Group universities.

*All student travel to in person activities will be paid for and lunch will be provided.*

### WHO IS THIS PROGRAMME FOR?

Year 12 students from low socio-economically disadvantaged backgrounds who are:

- Studying one A-level or equivalent qualification from one of the following: **Maths, Computer Science/IT, Chemistry, Biology, Physics, Economics, Finance or Business**
- Motivated to explore **degree apprenticeship routes** (there will also be opportunities to explore applying for non-degree apprenticeship routes).
- **This programme is suitable for students interested in all STEM & Finance areas but not suitable for those interested in Dentistry, Veterinary Science, Medicine or Pharmacy.**

### What does the programme involve?

#### **Apprenticeship Genius Application and Insight Day on Friday March 20th at the House of Lords in London**

*All student travel will be paid for and lunch will be provided.*

This conference will provide application preparation to help you make successful degree level and non-degree level apprenticeship applications. There will be career advice and insight into different degree-level and non-degree level apprenticeship opportunities with companies to help you decide where to apply.

#### **Apprenticeship Genius Summer Workshop Day**

Following the insight day at The House of Lords you will have a workshop day to further help you with the application processes which will be led by leading companies and Generating Genius.

#### **Summer 2026 Work Experience Opportunities**

You will have the opportunity to do work experience at different employers to explore a variety of STEM and Finance areas to make you more employable.

*All student travel will be paid for and lunch will be provided.*

#### **Uni Genius Application & Insight Day in Summer 2026**

We understand that some students may apply to university as well as to degree or non-degree apprenticeships. We will support you throughout this process by providing tailored application preparation for university, guidance on choosing the right courses and institutions, and insights from students and alumni at leading UK universities.
